2- Avoid prolonging the harakah of the letter before the Noon as in عَنكُمْ - مِنكُمْ; the reciter should avoid prolonging the Kasrah or the Fathah.

3- When the letter before the Noon Saakin has Dhammah, the reciter should make the Ghunnah in the state of Sukoon (without making Dhammah) as in كُنتُمْ .

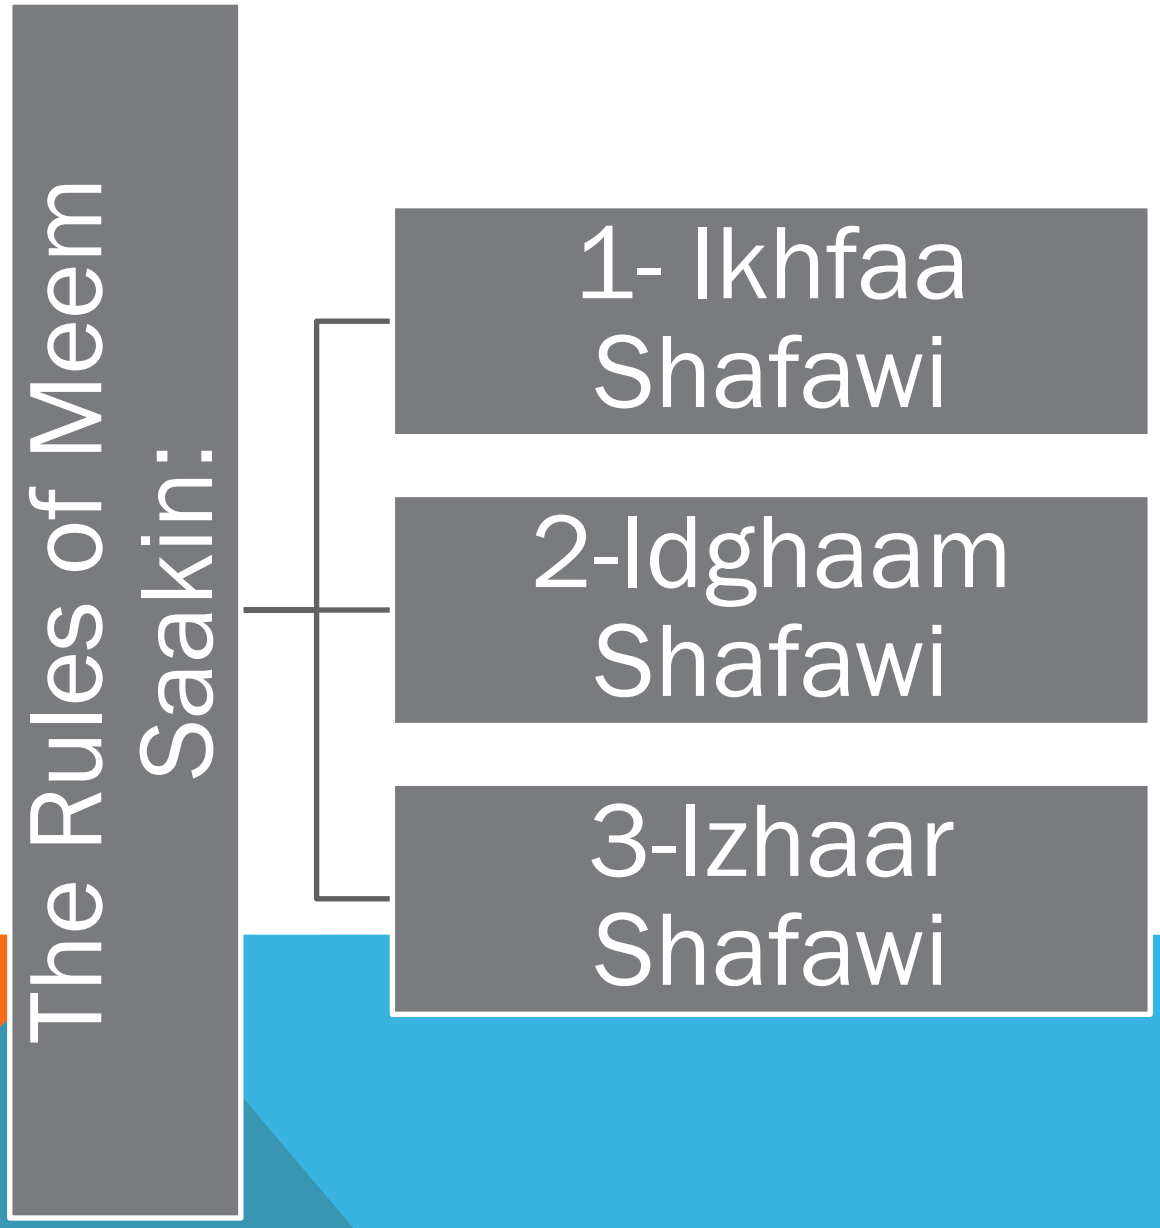

4- The Ghunnah should be heavy if Noon Saakin or Tanween is followed by a heavy letter, and it should be light if Noon Saakin or Tanween is followed by a light letter.
